Church for all the family!

Each week our churches have events suitable for children and families. Dates for your diary can be found overleaf.

SPARKLERS is our Sunday School which meets twice a month during the Sunday morning service and alternating between Holme Eden and Wetheral Church. All children are welcome! Parents are welcome to stay in the main service in church or join the **SPARKLERS** group. We read Bible stories together, play games, pray, sing songs and get creative with plenty of sticky stuff!

Together at Ten is our All Age Worship service which takes place once a month in a local school. This service is informal and 'non churchy'. We sing songs, pray, listen to the Bible and each month our puppets sing a new song to help us remember what we have been learning.

Our Family Service takes place on the first Sunday of each month. This is a chance for the whole family to worship God together.

LITTLE STARS meets on the second Tuesday of the month and is an informal service followed by craft for pre-schoolers and their parents.
