

Responding in gratitude to a generous God

This new initiative
gives you an opportunity
to consider your level of
financial giving for the coming year
and so enable the Parochial Church Council
to make wise budget decisions.

2 Corinthians 9v7-8

Our financial giving is just one way of
responding to our generous God.

This has been the theme
of two of our recent Sunday sermons.
2 Corinthians 9v14-15

Vision inspires giving and we will be
working on this in the coming year.
At present we are seeking to fulfil
the '**God for all**' vision that
'By 2020 every person in Cumbria
will have had an opportunity
to discover more of God
and God's purpose for their lives.'

Over the past few years the support for the
post of **Children and Families Outreach
Worker CFOW** has been run separately from
our regular church income.

This year we are **merging the two accounts.**
This will enable those who have supported the
post to pledge just once (by joining their giving
in one sum) and encourage others to increase
their giving so the PCC can ensure this post
continues
after December this year.
(please continue to the back page)

We are delighted that the Diocese has placed
a **curate** with our churches, which will lead to
a greater depth and breadth of our church's
ministry. The post will have no financial effect
on our church except for expenses of office.

Every Anglican church contributes to the
Diocese via their 'parish offer'.

We are still below the suggested level.

The Diocese supports the ministry of our
church including clergy stipends, training,
expert advice and support.

I would encourage you to prayerfully consider
how you can best financially support
the ministry here by filling in the form
and **sending it to the treasurer**
using the envelope provided.

Please keep a record of your pledge.

You can vary this at any time
should your circumstances change
before the pledge month next year.

Please remember that the CFOW support
is being joined to our general account.
My hope and prayer is that this stewardship
initiative will be understood as
a key part of our discipleship
and that the financial health
and therefore our ministry of our church
will take a significant step up this year.

Yours
Graeme Skinner
